LPJMS Art Teacher

## PRINCIPAL'S MESSAGE

Hello Jr. Cougar Family:

It's hard to believe we are at the mid-point of 2017-18 school year. As the calendar page turns and the weather gets wintry, it is a good time to reflect on our school year thus far. Teachers and staff have been working hard reviewing

data and making the necessary changes to reach the needs of our students. We know their work makes a difference, and hopefully you have seen the results in the work your children bring home. Academically, it is important for all students to remain focused on their studies and finish the year with great grades. LPJMS continues to offer an A -1 after school tutoring program from Monday-Thursday. If your child needs extra assistance, please encourage them to attend.

As we work together, our goal at LPJMS is to continue to meet the academic needs of our children. With your continued support, we can make a great impact on every child at LPJMS.

*Ms. Trina Craddox, Principal  
Mr. Todd Neal, Assistant Principal*
