 - (ii) he is unable to participate pursuant to subdivision G.1.b, G.1.c., or G.1.d. of this policy.

Any disqualification under this subsection shall be recorded in the School Board's public records. The School Board member or employee shall disclose his personal interests as required by Va. Disqualification under this section shall not prevent any employee having a personal interest in a transaction in which his employer is involved from representing himself or a member of his immediate family in such transaction provided he does not receive compensation for such representation and provided he complies with the disqualification and relevant disclosure requirements of this policy.
 3. If disqualifications under subsection 1.a. of this section leave less than the number required by law to act, the remaining member or members of the Board shall constitute a quorum for the conduct of business and have authority to act for the Board by majority vote, unless a unanimous vote of all members is required by law, in which case authority to act shall require a unanimous vote of remaining members.
 4. The provisions of this section shall not prevent a Board member or employee from participating in a transaction merely because such a Board member or employee is a defendant in a civil legal proceeding concerning such transaction.

The clerk of the School Board maintains records indicating school board members subject to the training requirement and the dates of their completion of training sessions. Such records are maintained as public records for five years in the clerk's office.

L. Advisory Opinions

School Board members or employees subject to the Act may seek written opinions regarding the Act from the local Commonwealth's attorney; the local county, attorney; or the Council. Good faith reliance on any such written opinion of the Commonwealth Attorney or a formal opinion or written informal advice of the Council made in response to a written request for such opinion or advice regardless of whether such opinion or advice is later withdrawn, provided that the alleged violation occurred prior to the withdrawal of the opinion or advice bars prosecution for a knowing violation of the Act provided the opinion was made after a full disclosure of the facts. If the School Board member or employee relies on the opinion of the attorney for the Commonwealth in a prosecution for a knowing violation of the Act, the written opinion of the attorney for the Commonwealth shall be a public record and shall be released upon request. An opinion of the county attorney may be introduced at trial as evidence that the School Board member or employee did not knowingly violate the Act.

CALLING AND CERTIFICATION OF CLOSED MEETINGS

- A. No closed meetings are held by the School Board or any committee thereof unless the School Board or committee has taken an affirmative recorded vote in an open meeting approving a motion which (i) identifies the subject matter, (ii) states the purpose of the meeting as authorized in Va. Code § 2.2-3711.A or other provision of law and (iii) cites the applicable exemption or exemptions from open meeting requirements provided in the Virginia Freedom of Information Act (FOIA) or other provision of law. The matters contained in such motion are set forth in detail in the minutes of the open meeting. A general reference to the provisions of FOIA or authorized exemptions from open meeting requirements, or the subject matter of the closed meeting is not sufficient to satisfy the requirements for holding a closed meeting.
- B. The School Board, or committee thereof, in holding a closed meeting, restricts its discussion during the closed meeting only to those purposes specifically exempted under FOIA and identified in the motion required in Section A, above.
- C. At the conclusion of any closed meeting, the School Board or committee thereof immediately reconvenes in an open meeting and takes a roll call or other recorded vote to be included in the minutes, certifying that to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements and (ii) only such public business matters as were identified in the motion by which the closed meeting was convened were heard, discussed or considered in the meeting. Any member of the Board or committee who believes that there was a departure from the requirements of (i) and (ii) above, so states prior to the vote, indicating the substance of the departure that, in the member's judgment, has taken place. The statement is recorded in the minutes of the meeting.
- D. Failure of the certification required by Section C, above, to receive the affirmative vote of a majority of the members present during a meeting does not affect the validity or confidentiality of such meeting with respect to matters considered therein in compliance with these provisions. The recorded vote and any statement made in connection therewith, upon proper authentication, constitutes evidence in any proceeding brought to enforce FOIA.
- E. Except as specifically authorized by law, in no event may the School Board or committee thereof take action on matters discussed in any closed meeting, except at an open meeting for which notice was given pursuant to Va. Code § 2.2-3707.
- F. The School Board is subject to a civil penalty of up to \$1,000 if a court finds that the Board voted to certify a closed meeting in accordance with Section C above and such certification was not in accordance with FOIA.

ELECTRONIC PARTICIPATION IN MEETINGS FROM REMOTE LOCATIONS

Except as provided hereafter, or as otherwise permitted by law, the School Board does not conduct any meeting wherein the public business is discussed or transacted through telephonic, video, electronic or other electronic communication means where the members are not physically assembled. This policy is applied strictly and uniformly, without exception, to the entire membership of the School Board and without regard to the identity of the member requesting remote participation or the matters that will be considered or voted on at the meeting.

For purposes of this policy, “electronic communication” means the use of technology having electrical, digital, magnetic, wireless, optical, electromagnetic, or similar capabilities to transmit or receive information.

I. Quorum Physically Assembled

A. The School Board may conduct any meeting wherein the public business is discussed or transacted through electronic communication means if 1) on or before the day of a meeting, a member of the School Board notifies the chair that such member is unable to attend the meeting due to a temporary or permanent disability or other medical condition that prevents the member's physical attendance or that such member is unable to attend the meeting due to a personal matter and identifies with specificity the nature of the personal matter; and 2) the School Board approves the member's participation by a majority vote of the members present at the primary or central meeting location.

Participation by a School Board member by electronic communication means due to a personal matter is limited each calendar year to two meetings.

B. If participation by a School Board member through electronic communication means is approved pursuant to subsection A above, the School Board records in its minutes the remote location from which the member participated; however, the remote location need not be open to the public. If participation is approved due to a temporary or permanent disability or other medical condition, the School Board also includes in its minutes the fact that the member participated through electronic communication means due to a temporary or permanent disability or other medical condition that prevented the member's physical attendance. If participation is approved due to a personal matter, the School Board also includes in its minutes the specific nature of the personal matter cited by the member.

If a School Board member's participation from a remote location due to a personal matter is disapproved, such disapproval is recorded in the minutes with specificity.

C. A School Board member may participate in a meeting by electronic means pursuant to subsections A and B above only when:

- a quorum of the School Board is physically assembled at one primary or central meeting location; and
- the School Board makes arrangements for the voice of the remote participant to be heard by all persons at the primary or central meeting location.

II. Quorum Not Physically Assembled

The School Board may meet by electronic communication means without a quorum physically assembled at one location when the Governor has declared a state of emergency in accordance with Va. Code § 44-146.17, provided

- the catastrophic nature of the declared emergency makes it impracticable or unsafe to assemble a quorum in a single location, and
- the purpose of the meeting is to address the emergency.

If it holds a meeting pursuant to this section, the School Board

- gives public notice using the best available method given the nature of the emergency contemporaneously with the notice provided members of the School Board; and

POLICY ADOPTION – BOARD BYLAWS AND STANDARD OPERATING PROCEDURES

SCHOOL BOARD BYLAWS

Bylaws Adoption, Amendment and Suspension

- Adoption and Amendment: Bylaws, proposals and suggested amendments to or revisions of existing bylaws shall be by majority vote of all members of the board at two consecutive regular meetings and in the calls for which the proposed additions, amendments, or revisions shall have been described in writing.
- Suspension: Bylaws of the board shall be subject to suspension only upon a majority vote of all members of the board at a meeting in the call for which the proposed suspension has been described in writing, or upon a unanimous vote of all members of the board when no such written notice has been given.

Ethics

Ethical conduct is a primary duty of both school boards and individual members. The term ethics is used here not in the sense of the principles of morals and right conduct which should govern every individual in all his or her personal and social relations, but rather, in the sense of a system of principles of conduct applying to a special occupation or special situation.

The following suggested code of ethics was adopted by the Board of Directors of the National School Board Association October 9, 1975. It is appropriate for adoption by local school boards:

Code of Ethics for School Board Members

As a member of my local board of education, I will strive to improve public education, and to that end I will:

- Attend all regularly scheduled board meetings insofar as possible, and become informed concerning the issues to be considered at those meetings;
- Recognize that I should endeavor to make policy decisions only after full discussion at publicly held board meetings;
- Render all decision based on the available facts and my independent judgment, and refuse to surrender that judgment to individuals, staff, and all elements of the community;
- Encourage the free expression of opinion by all board policies and to delegate authority for the administration of the schools to the Superintendent; communicate to other board members and the Superintendent expressions of public reaction to board policies and school programs;
- Inform myself about current educational issues by individual study and through participation in programs providing needed information, such as those sponsored by my state and national school board associations;

- Support the employment of those persons best qualified to serve as school staff, and insist on a regular and impartial evaluation of all staff;
- Avoid being placed in position of conflict of interest, and refrain from using my board position for personal partisan gain;
- Take no private action that will compromise the board of administration, and respect the confidentiality of information that is privileged under applicable law; and
- Remember always that my first and greatest concern must be the educational welfare of the students attending the public schools.

Policy Formulation

The school board representing the people of Surry County is the legislative body which determines all questions of general policy to be employed in the conduct of the public schools.

Proposals regarding school division policies and operations may originate at any of several sources: a parent, a taxpayer, a professional employee, a member of the board, a clerk, the division superintendent, a professional consultant, a civic group, etc.

Action on such proposals, whatever their source, is taken finally by the board in accordance with its by-laws. The board shall take action upon the basic recommendations presented to the board by the division superintendent. The division superintendent bases his or her recommendations upon the outcomes of the study and upon the judgment of his or her professional staff and study committees.

Policy Adoption, Amendment and Suspension:

- **Adoption and Amendment:** Policy proposals and suggested amendments to or revisions of existing policies, shall be submitted to all members of the board and the division superintendent in writing prior to a regularly scheduled board meeting in which such proposed policies, amendments, or revisions shall be read and discussed. A vote for adoption shall take place at the next succeeding regular meeting of the board. A majority vote of the membership of the board shall be needed for the adoption of a policy. The school board shall from time to time adopt policies and cause same to be published. Exception to the above may be taken when, in the opinion of the board members, the immediate adoption of the policy is in the best interest of the school system. The board may suspend its rules by a vote of majority members and bring the proposed policy up for immediate adoption.
- **Suspension:** Policies of the board shall be subject to suspension only upon a majority vote of the members of the board at a meeting in the call for which the proposed suspension has been described in writing, or upon a unanimous vote of all members of the board when no such written notice had been given.

Formulation and Adoption of Regulations

- Formulation: The school board shall delegate to the Superintendent the function of specifying required actions and designing the detailed arrangements under which the schools will be operated. Such rules and detailed arrangements shall constitute the administrative regulations governing the schools. They must be in every respect consistent with the policy, should the board so wish.
- Adoption: The board does not adopt administrative regulations unless specifically required to do so by law, or unless requested to do so by the division superintendent. The board reserves the right to review and veto administrative regulations should they, in the board's judgement, be inconsistent with the policies adopted by the board.
