Surry, Virginia 23883
(757)-294-5229

Dear Parent or Guardian:

Surry County Public Schools is pleased to inform you of a new method for you to receive your child's Virginia Assessment Program test results.

The Virginia Assessment Parent Portal, located at <https://va-results.pearsonaccessnext.com>, is a new web-based portal where you will create a user account and gain access to your child's test results for certain statewide assessments. Currently, this includes test results from the Fall 2021 Grades 3-8 Reading and Mathematics Growth Assessments that your child completed earlier in this school year.

You will be able to review your child's Student Detail by Question (SDBQ) Report for each test completed this fall and, in most cases, you will be able to view a personalized video that accompanies the SDBQ Report for your child. This is a personalized video that provides an overview of the SDBQ report, explains specific details from your child's SDBQ report, and directs you to resources on the Virginia Department of Education's website (<https://tinyurl.com/VAparentpage>) to assist with your child's academic needs.

To create your Virginia Assessment Parent Portal account, follow the instructions provided in the attached user's guide. Once your account has been created and activated, you will use your child's information and the Claim Code listed below to **add your child's test results to your account. The information you enter in the Virginia Assessment Parent Portal for your child must match exactly with what is provided below.**

Child's First Name:

Child's Last Name:

Date of Birth:

Claim Code:

Please note, the Claim Code must be entered exactly as it appears. It is case sensitive. This code will enable you to access your child's test results securely.

We are pleased to have this new opportunity to communicate information about your child's test results on the Fall 2021 Grades 3-8 Reading and Mathematics Growth Assessments. If you have questions regarding how to access the Virginia Assessment Parent Portal or your child's test results, please contact the main office of your child's school.

Sincerely,

Airon Grim, Ed.D, Division Director of Testing
