

Surry County Public Schools

Suggested At-Home Learning Activities

Please note that Contents and Instructions are subject to change

General Instructions

The **PRIMARY** method for Learning at home is the paper-based packet provided by your school (coming soon!)

Additional suggested activities are communicated from teachers to parents and/or students through the following:

Class Dojo <https://www.classdojo.com/> (App is also available)

Google Classroom www.classroom.google.com

Remind (Text messaging)

Learn at Home Links

The majority of Surry County Public Schools' internet resources are accessed through Clever. Students will go to <https://clever.com/in/surrycounty> and log in with their school Google account information. From there, they will just select the resource they want to use by clicking on the corresponding app. Here is a list of options for students with internet access.

Resource	Grade Level	Access	Web Link
Reading Eggs	K-4	Clever	https://clever.com/in/surrycounty
Renaissance Place	K-8	Clever	https://clever.com/in/surrycounty
